TOTAL FEE ENCLOSED = £ _____

Dancers, please note:

Again, this year, your changing tents must be erected in the Children's Play Park across the Ceres Burn from the Games Field.

Access to the Dance platform will be the normal route over the Temporary Bridge, (NOT over the permanent bridge at the top of the field).

These measures have had to be put in place for Health & Safety reasons arising from the amount of room pedestrians have on the north side of the Ceres Burn during Games day.

The Ceres Highland Games Committee.
